

## NAUTICAT 321 - SMOKEY

Built in 2000 for Dusseldorf Boat Show and commissioned in 2001 for a Dutch owner, who sailed mainly on the canals and stored the boat in a heated shed each winter. We purchased the boat in 2010 and sailed her back to the UK in 2011.

The boat is in very good condition and lightly used. We have modified her for sea use by fitting a Lofran electric windlass, chart plotter, wind instruments and DSC radio.

LOA                    10.4 m including bowsprit  
Beam                   3.24 m  
Draft                   1.75 m deep keel
